

## Corporate eGateway Changes in Message Implementation Guideline

### **pain.011.001.03**

#### MandateCancellationRequestV03

#### Changes in version 1.3

MIG version: 1.3  
Date: 2021-11-10

## 1. Changes to elements/attributes or codes.

| Element | Comment |
|---------|---------|
|         | None    |

## 2. Changes to instructions and other text.

| Element | Comment                                                                                                                          |
|---------|----------------------------------------------------------------------------------------------------------------------------------|
| Page 3  | Chapter 1, Introduction<br>Added note:<br>Note: Nets has during 2020 sold their account-to-account based services to Mastercard. |
| General | Replaced "Nets" with "Mastercard".                                                                                               |
